

CHARGING SYSTEM WARNING LIGHT [SKYACTIV-D 2.2]

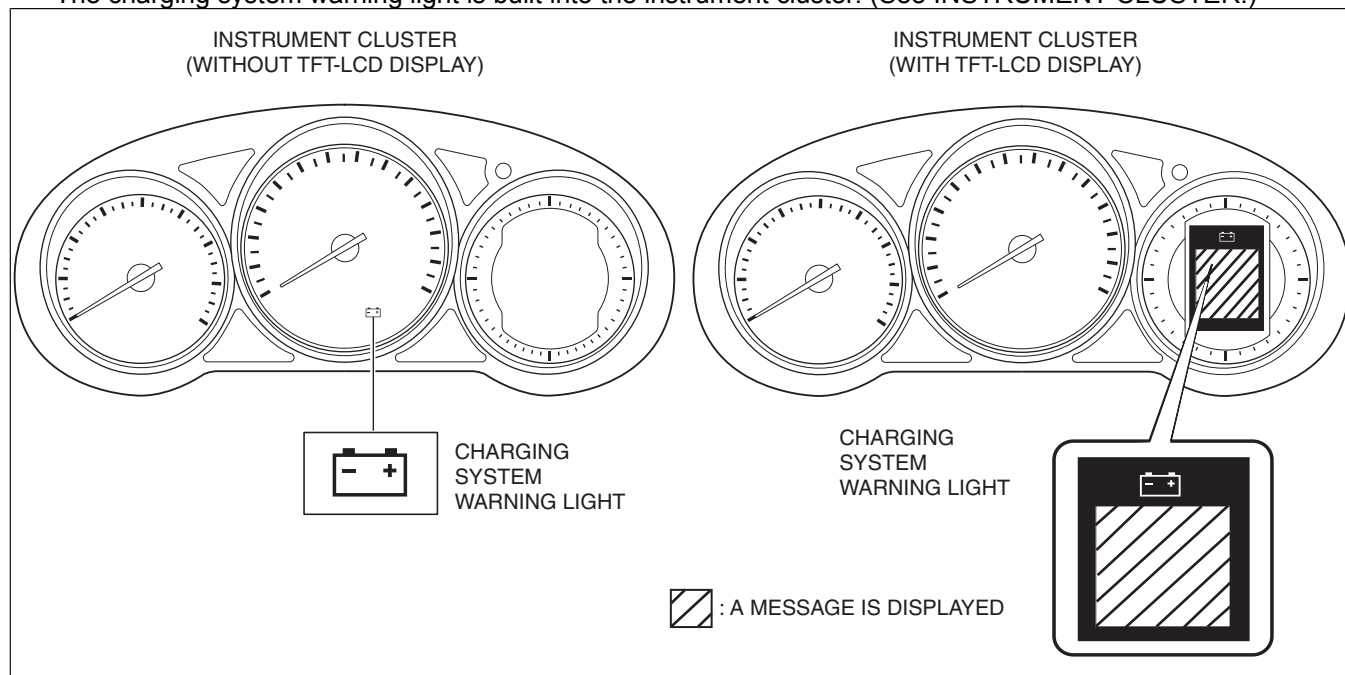

id0117h6308400

Purpose, Function

- Warns the driver of a charging system malfunction.
 - For details on DTCs which illuminate the charging system warning light, refer to ON-BOARD DIAGNOSTIC SYSTEM. (See ON-BOARD DIAGNOSTIC SYSTEM TEST MODE [SKYACTIV-D 2.2].)

Construction

- The charging system warning light is built into the instrument cluster. (See INSTRUMENT CLUSTER.)

ac5wzn00001985

Operation

- Illuminates when a malfunction occurs in the charging system and a DTC is stored in the PCM.
