## **Short Cord Removal Note**

- 1. While pressing the clip tab in the direction of the arrows (1) shown in the figure, press the clip in the direction of the arrow (2) shown in the figure to detach the clip tab and front combination light.
- 2. Remove the short cord.

### ac5wzw00000833

## **Cover Installation Note**

1. Install the cover to the housing so that there is no clearance between the housing and the cover.

#### Caution

• If there is a gap between the housing and the cover, water may penetrate from the gap causing a malfunction in the front combination light. Verify that there is no gap between the cover and the housing.
